February 9th–Pp is for Pizza! Make your own Pizza
February 9th–Visit from the dentist
February 19th–23rd–Winter Break
No School

Valentine's Day Centers
We will be doing some special centers for Valentine's day! I am looking for some Virtus trained parents to come in and help! Please let me know if you are available.

Monday 
Tuesday 
Wednesday 
Thursday 
Friday

Please wear sneaker on Friday for Phys. Ed.

Coding
We have been learning some coding skills! We have learned how to program a mouse to find his way through a maze. The mazes keep getting harder, but we're learning how to work it out! It's great practice for problem solving. We are also using the ipads to do Kodable which is a program made up of online mazes!

Check the sign up genius to sign up for Valentine's Day Party Treats

Please let me know if you need your Seesaw class code, or if you are having trouble getting in to see your child's pictures.

Visit from the Dentist's Office
A great big THANK YOU to Darlene Bradley who will be coming on February 9th to talk to us about taking care of our teeth!
