FOR CATHOLIC EDUCATION IN WNY

NORTHTOWNS SNOWBALL 2017

On a cold winter's night every year the Diocesan Gala 22.6 Dinner celebrates Catholic Schools Week and raises scholarship funds for families throughout WNY to attend Catholic Education. It is a special celebration of Catholic Education where camaraderie is shared and tuition assistance funds are raised to support Catholic school families across the Diocese.

This year over 1,800 students will attend Catholic elementary schools through this effort. These recipient families have an average income of \$36,000 and while over 900 families are currently on the waiting list, the mission remains very real.

Since 2012, The Snowball Dance has been the annual dance held to celebrate Catholic Schools Week. Students get a chance to participate in helping raise funds to provide tuition for families in need across all of our Catholic schools in the Diocese of Buffalo. Two dances will be held; one for 5th & 6th graders, followed by a 7th & 8th graders dance. This is a fun way the students to help raise money for an important cause. The festive evening provides an opportunity to celebrate Catholic Schools in an atmosphere of joy and purpose.

For our 7th year, we're looking for an expanded team of volunteers to help lead and coordinate the dance. Similar to the Southtowns Snowball, we are looking for a chairperson(s) to spearhead the dance. The dance will be held on February 2, 2018 at St. Greg's Ministry Center.

With your participation, you will help raise over \$25,000 for scholarships for students to receive a Catholic education. The students look forward to the dance and the activities of Catholic Schools Week. We should be proud of our students as the money raised from the dance shows awareness and generosity to their peers who need help receiving a Catholic education.
