Dear Parents

It is that time of year again! The public school districts need you to register for transportation for the 2017-2018 school year. The due date for this procedure is April 1, 2017.

Forms from the schools that provided us hard copies are posted on the school web page under the Transportation tab which is found under Parent Resources. All other districts need to be contacted directly by the resident. Some of them, like Clarence, need the forms completed electronically on their web page.

**Please note these forms do NOT come back to St. Christopher, you need to forward them directly to your public school transportation dept.**

Also please be sure your child/children are registered in your public school district, even if you do not use transportation as our school receives necessary funding for textbooks, software and other important academic materials this way.

If you have any questions, please feel free to contact the school office.

Thank you-

Kim Cuddihy
